Feature highlights

Cruise control

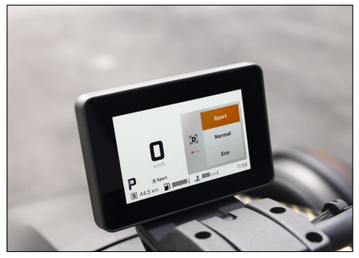
No need to keep the throttle at all times, the cruise control can be switched on to maintain a selected constant speed.

KYB† HPG shocks

KYB HPG shocks with remote adjusters on the rear for different riding experiences.

MAX mount structure

Makes the unit 1+1 ready. It also increases the carrying capacity for different storage options.



Sport mode

Allows you to have more fun on paved roads. Sport mode loosens the traction control of the rear wheel enabling you to perform controlled drifts

UFit adjustment system

Tool-free adjustment of handlebars and footpegs to suit the driver and provide a personalized and comfortable driving experience.

Customisation

Designed for limitless customization, with a wide range of purpose-built accessories including windshields, audio system, lighting, visual upgrades, and convenient storage solutions, so you can tailor it to fit your style and needs.

CLASSIC PANELS[1]

Deep Black
