Feature highlights

10.25 in. Touch Display with Apple CarPlay

A high-resolution infotainment system that puts an interactive, informative and customizable experience right at your fingertips. Compatible with Apple CarPlay and the BRP GO! app for navigation features.

Touring floorboards

With the 23 in. (58.4 cm) touring floorboards, riders can now sit however they are most comfortable and change leg positions on long rides while enjoying easy access to the brakes.

Premium LED lights

Premium LED headlights leave nothing hidden around the next turn with improved road visibility and precision lighting.

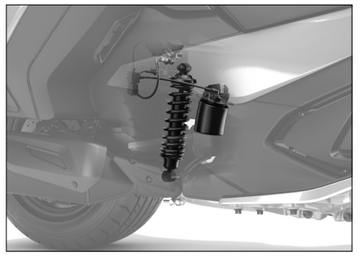

Top case

The waterproof top case offers 60 liters of storage capacity, perfect for leaving nothing behind on a long-distance ride. Enough space for 2 large full-face helmets.

Adjustable electric windshield

The adjustable electric windshield with memory function provides superior wind protection, and the memory function automatically returns the windshield to the lowest or previous height.

Self-leveling air suspension

Rear air suspension automatically adjusts to passenger and cargo weight to ensure comfort is never compromised.
