NEW Solar Orange Metallic Premium

Gulfstream Blue Premium

Feature Highlights

Rotax 1630 ACE - 350 Engine

The Rotax 1630 ACE - 350 is the industry’s most powerful PWC engine from factory. With its 350 hp, this engine delivers incredible acceleration and power thanks to innovative engineering for uncompromised offshore performance.

Hydraulic Steering Damper

3 steering positions to quickly control the stiffness. It adds riding precision by removing undesired input in rougher conditions. It provides a premium feeling and improved control to the rider.

Tech Package with 10.25" Touch Display

Levels up entertainment and connectivity on the water. It includes a factory-installed, truly waterproof Bluetooth® audio system, a 10.25 in. touchscreen display and a USB port.

Ergolock R System

A narrow seat profile with deep knee pockets and a revolutionary adjustable saddle that allows riders to lock in to the machine like never before.

T3-R Hull

A deep-V design that offers unrivaled handling and acceleration and a new level of control at high speed.

Large Front Storage

An impressive 38 gallons of sealed storage space allows riders to safely stow belongings while riding.
